

SOLAR BLINKER

MARS Solar 360 offers its clients the solar blinkers which are LED based. They have blinking cycle of Blinking mode 1 sec & Off mode for 1 sec. They are generally used as a symbol of some warning. These blinkers are available in Amber, Red colour. This Solar Road Safety Warning Blinker uses solar energy to operate the signal. So there is no need of Electricity supply. The whole assembly includes Solar Panel, Frame for Solar Panel, Traffic Signal Blinker, Wire Harness, Charge Controller, Battery, Battery Box, Signal Pole etc. Once you have establish Solar Traffic warning Blinker it lasts for many year.

SOLAR BLINKER
